Nutrition Counseling Client Agreement

Welcome to Namaste Nutrition! I value the time we spend together. I join you with a fusion of medical nutrition therapy and psychology as a nutrition therapist to address the whole of you on this journey of exploration for what your body needs. I believe in being transparent and authentic about our work together. The deepest transformation happens when we meet regularly, usually every other week, for a length of time to be determined by your needs. My intention is to create a safe space for your personal development to support the shifts you desire.

Missed Appointments / Cancellations: Arriving on time means we get the most out of the session. As unplanned issues may arise that lead you to reschedule, *24 hours advanced notice is needed; if less than 24 hours, a late fee of \$100 will be assessed for that scheduled time.* If availability is open in the same week for you to make up the missed appointment, there will be no fee assessed.

Payment Options: *(Co-pays or private pay fees accepted by check, cash or credit card at the start of the session.)*

Insurance plans accepted:
Blue Cross Blue Shield of Massachusetts
Harvard Pilgrim Health Care
Tufts Health Plan
United Healthcare
Allways
Cigna
Aetna
